Prob12C

Rev. March 2017

On August 24, 2023, Anderson reported to the probation office to commence his term of supervision and was observed to be under the influence and experiencing withdrawal symptoms. Anderson admitted to the probation officer that he had consumed a cocktail of drugs which included methamphetamine and fentanyl. Due to Anderson's physical condition, the probation office transported him to the Crossroads detox program so he could obtain assistance with detoxification and address his immediate substance abuse issues. On August 30, 2024, this officer met with Anderson again after he completed the detox program at Crossroads. Anderson was subsequently enrolled in outpatient mental health and substance abuse treatment at Community Counseling on a weekly basis for individual counseling, however since he admitted he was struggling with his sobriety and continued to submit positive drug test for methamphetamine, Anderson was provided with a higher level of care and enrolled in the Intensive Outpatient Program (IOP) at Westcare.

Prior to his initial scheduled assessment this officer spoke with him in depth about what was expected of him during the treatment process. On December 28, 2023, Anderson was provided with the information regarding his initial appointment date and time to start Westcare IOP; he confirmed he would attend. Anderson was scheduled for an initial treatment assessment with Westcare for Intensive Outpatient Program (IOP) on January 3, 2024, at 9 am; he failed to attend the appointment as scheduled. While in IOP treatment, Anderson was considered a no call/no show on numerous dates, and he failed to attend treatment sessions as scheduled on January 11, 2024; January 19, 2024; February 7, 2024; February 13, 2024; and February 14, 2024. On February 15, 2024, Anderson was discharged unsuccessfully from Westcare IOP due to lack of attendance and failure to engage in treatment process.

Anderson was also enrolled in sex offender treatment counseling at Evergreen Counseling, and he failed to attend treatment as scheduled on January 23, 2024, and February 14, 2024. On February 15, 2024, he was removed from the schedule and discharged unsuccessfully from the Evergreen Counseling program due to his lack of attendance and failure to engage in the treatment process. On February 20, 2024, Anderson had a scheduled appointment at 11:30 am to have computer monitoring software installed on his cell phone and he failed to attend the appointment. On February 9, 2024, Anderson was provided with the information regarding his appointment date and time and confirmed he would attend the appointment.

At the start of supervision, Anderson reported he was employed and was directed to provide paystubs each month for verification of his employment. As of this date, Anderson has only provided paystubs for September 28, 2023, and October 5, 2023. At the commencement of supervision, all conditions were reviewed with Anderson including his fines and restitution obligation and he was directed to start making payments. On October 1, 2023, Anderson was reminded again of his financial obligation and directed to make a payment toward his restitution, and he failed to do so. As of this date, Anderson has made no payments towards his restitution and has an outstanding balance of \$3,100.

On February 15, 2024, Anderson sent this officer a text message advising he was heading to Desert Parkway Behavioral Healthcare Hospital because he was depressed and not sleeping and would provide this officer with an update. As of March 5, 2024, this officer has received no further communication from Anderson to verify his status in treatment and his whereabouts are currently unknown.

Anderson's criminal history began around age 19 and consists of both felony and misdemeanor arrests, specifically, Petty Theft, Possession of Marijuana, Attempted Grand Larceny, Attempt Theft, Conspiracy to Commit Robbery, Robbery with a Deadly Weapon, Possession of Child Pornography, Grand Larceny, Driving Under the Influence of a Controlled Substance, Forgery, Possession of Methamphetamine, Marijuana and Paraphernalia, Burglary, Fugitive from Justice and Non-sufficient Funds/Checks. Anderson also has numerous traffic citations including Expired License Plate, Driving Without a Valid License, Insurance Required, Expired License Plate, Unregistered Vehicle, Resident Operating Vehicle Without Registration, Speeding, Pedestrian Not in Crosswalk – Jaywalk, Walk on Road where Sidewalk is Provided. Anderson has a plethora of prior probation violations for similar conduct related to drugs and alcohol and multiple bench warrants were issued where he failed to appear in Court as ordered. Additionally, on January 24, 2024, Anderson was arrested by Las Vegas Metro Police for committing the offense of Failure to Register as a Sex Offender, however on January 25, 2024, Anderson was released from custody and the case was denied prosecution. Based upon all the above noncompliance issues, it is respectfully recommended a warrant be issued to initiate revocation proceedings.
